

The colors that you surround yourself with make bold statements about who you are and how you live. The Colourtone Collection provides an attractive palette of popular opaque finishes that are as affordable as they are attractive. Whether you need a traditional painted look, a glazed highlight or something more unique such as our Brushed Glaze or Heirloom treatments, consider the Colourtone program for your next custom kitchen.

## Colourful Lifestyles

Durability and moisture resistance are just two of the important benefits of Colourtone finishes. These versatile conversion varnish coatings can be applied to several different wood species and combined with multiple glaze options to create a wide assortment of looks to meet a variety of design needs.
